## It happened AGAIN?!"

"Kuchiki-Chan's mom."  
In Japanese, a lot of names are implied rather than explicitly stated, thus the name which happened again isn't specified, however I think Kuchiki is referring to how her mom was kissed by another guy again since he was previously kissed by Miyoshi in Kuchiki's  
Mami Volume 2, Chapter 12.

It's somewhat difficult to maintain a

the story is progressing, but I'll be
